

## Special Issue

# State-of-the-art Power Electronics in Korea

### Message from the Guest Editors

This Special Issue is focused on state-of-the-art power electronics in Korea. It will include novel research results about technologies such as power converters, motor drives, and smart grids. Attention will also be paid to their various industry applications. The topics of interest include, but are not limited to, the following:

- Power converters (topologies, control, and analysis);
- Motor drives;
- HVDC applications;
- Multimodular converters;
- Renewable energy applications (wind, photovoltaic, and fuel cell);
- Electric vehicle applications;
- Microgrid and smart grid applications;
- Energy storage systems;
- Wide-bandgap device applications;
- Wireless power transfer applications;
- Condition monitoring and reliability.

Welcome to contribute!

---

### Guest Editors

Prof. Dr. Kyo-Beum Lee

Department of Electrical and Computer Engineering, Ajou University,  
World cup-row 206, Yeongtong-gu, Suwon 16499, Korea

Dr. Sungjoon Cho

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guestedited by leading experts in selected topics of interest.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPlus / SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.4 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2025).
