

Topical Collection

Encyclopedia of Social Sciences

Message from the Collection Editors

The Encyclopedia of Social Sciences provides a comprehensive reference work covering the following disciplines and subdisciplines in the Social Sciences, highlighting Economics, Finance, Business, and Other Social Sciences. **Chapter 1: Economic Theory and Econometrics**

Chapter 2: Finance Chapter 3: Business Chapter 4:

Other Social Sciences We will release this topical collection as an independent encyclopedia book once a certain amount of entries are published. Book chapters are not limited to the above four disciplines. Additional chapters may be created based on the number of entry papers published under a specific topic. If you are a social science researcher or interested in the Social Sciences, please feel free to share what you know as an entry paper in this collection.
