Dear Colleagues,

We are pleased to announce the *Energies* 2020 Travel Awards for postdoctoral fellows and PhD students. These awards will help support travel for one postdoctoral fellow and one PhD student to present their data, via poster or oral presentation formats, at a scientific conference in 2020. The nominations and applications will be assessed by an Evaluation Committee.

Candidates' Requirements:

1. Postdoctoral Fellows (within three years of receiving their PhD) or PhD students undertaking energy-related research.
2. Each candidate must submit a travel award application for a specific conference in 2020, at which they will present their own, original work via a poster or oral presentation.

Required Application Documents:

1. Outline of current and future work (500 words).
2. Curriculum vitae, including a complete list of publications.
3. The conference to be attended, including a copy of the abstract and acceptance letter or anticipated date of decision.
4. A statement of current grant funding and travel budget, if any, and reasons why the award would help.
5. A letter of recommendation from a supervisor, research director, or department head.
