Dear Colleagues,

As the Editor-in-Chief of *Energies*, I am pleased to announce the winners of the *Energies* 2022 Travel Award.

# 2022 TRAVEL AWARD WINNERS

The award has been granted to Dr. Runxia Cai, a postdoctoral researcher in the Department of Chemical and Biomolecular Engineering, North Carolina State University, USA, and Dr. Lukasz Niedzwiecki, a PhD student in Wrocław University of Science and Technology, Poland.

With so many high-quality applicants, the evaluation process and final decision were incredibly challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I would also like to take this opportunity to congratulate the winners on their accomplishments.
