### Message from the Guest Editor

Dear Colleagues,

The 6th ENVECON Conference will be jointly organized by the Laboratory of Operations Research of the Department of Economics University of Thessaly and the Department of Economy and Sustainable Development of the Harokopio University. The conference will take place **online** on **Friday 11 and Saturday 12 June 2021**.

The scope of the conference is to present the main issues concerning the economics of natural resources and the environment with emphasis on the various environmental problems and their management and solution policies. Its aim is to highlight the interdisciplinary nature of environmental research through the exchange of views and experiences of researchers from different scientific fields and the finding of common components of research approaches.

## Message from the Editor-in-Chief

*Energies* is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, AGRIS, Inspec, CAPlus / SciFinder, and many other databases.

**Journal Rank:** [CiteScore](#) - Q1 (*Control and Optimization*)
