Message from the Guest Editors

Dear Colleagues,

The present Special Issue is entitled *Biological Fuel Cells and Their Applications*. It is a very open issue dedicated to all users/developpers/designers of microbial fuel cells, for everyone everywhere in the world. Our main wish is that contributors submit applications within the subjects of Health, Environment, or Food. The issue is a very open contribution to all scientists. Academic and industrial works are accepted.

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: CiteScore - Q1 (*Engineering (miscellaneous)*)
