

Special Issue

Selected Papers from 7th Iran Wind Energy Conference (IWECC 2021)

Message from the Guest Editors

The Special Issue related to the 7th Iran Wind Energy Conference (IWECC 2021) will collect the latest achievements in wind energy engineering. The topics of interest include, but are not limited to power quality, power electronic converters, wind turbine generators, wind turbine aerodynamics, and wind turbine technology.

About the Journal

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Editor-in-Chief
