Special Issue

Solid Fuels Technology and Applications.

Message from the Guest Editors

We are pleased to invite you to contribute your article to an upcoming Special Issue entitled "Solid Fuels Technology and Applications", which will be published in *Energies*. This Special Issue is open to researchers and authors that would like to submit their research and review articles that explore the application of solid fuels technologies. The aim of this Issue is to contribute to knowledge of ongoing research on solid fuels technological applications.

About the Journal

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.
