

## Special Issue

# Willingness to Pay Studies and Energy Use

### Message from the Guest Editor

The field of Willingness to Pay (WTP) for green or renewable energy products is ripe for further academic exploration. This Special Issue welcomes a diversity of submissions and research methods on WTP that deliver practical policy knowledge as deliberative polls show that customer WTP increases when customers are educated about green energy options.

## About the Journal

### Message from the Editor-in-Chief

*Energies* is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.
