Coatings and Surface Engineering

Message from the Guest Editor

I would like to invite you to submit your papers to the *Energies* journal (ISSN 1996-1073, Impact Factor: 2.702 (2019); 5-Year Impact Factor: 2.822 (2019)), for a special issue entitled *Coatings and Surface Engineering*. I strongly encourage you to exchange views and present your achievements in the form of articles sent to the aforementioned special issue, because, I believe, its subject closely corresponds to the research interests of the employees of our discipline.

About the Journal

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Editor-in-Chief
