

Special Issue

Feature Review Papers in Fermentation for Food and Beverages 2024

Message from the Guest Editor

This Special Issue is dedicated to collecting high-quality review papers on all aspects of Fermentation for Food and Beverages. We welcome contributions from researchers who can offer insights on the latest developments in this field, including those related to microbial species and biotechnologies. We also encourage authors to invite relevant experts and colleagues to contribute to this Special Issue. We strongly prefer full-length, comprehensive reviews, as they provide a more in-depth examination of the topic. Our goal is to share the latest scientific advancements with a large audience. Therefore, we invite authors to submit their best work and help us disseminate knowledge across the scientific community. We look forward to receiving your contributions and making this Special Issue a success.
