10th Anniversary of *Fermentation*: Feature Papers in Section "Industrial Fermentation"

Message from the Guest Editor

As we celebrate the 10th anniversary of *Fermentation*, it is with great excitement that we announce the upcoming Special Issue titled "10th Anniversary of *Fermentation*: Feature Papers in the 'Industrial Fermentation' Section". This Special Issue aims to publish high-quality original research and review articles spanning all aspects of industrial fermentation. We invite researchers from related fields to contribute and highlight the latest developments in this area. Topics of interest for this Special Issue include, but are not limited to, novel processes, equipment, products, and technologies. We eagerly anticipate your innovative and impactful contributions to this special celebration of a decade of progress in fermentation science!" We look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

Welcome to an open access journal, *Fermentation*, which meets the growing need for a high quality peer-reviewed international journal with easy access to all researchers globally. We hope that you will share our enthusiasm for this journal and look forward to working with you to make *Fermentation* a leader in its field. Your contributions are vital for the success of this journal. Proposals for editing a special issue for a particular topical area are always welcome.
