

Special Issue

Feature Papers by *Fishes*' Editorial Board Members

Message from the Guest Editor

We are proud to announce the launch of a Special Issue entitled "Feature Papers by *Fishes*' Editorial Board Members". This Special Issue aims to compile primary research articles and reviews on contemporary topics from scholars. It will include high-quality papers in an open access format, authored by the Editorial Board Members of *Fishes* or those recommended and invited by the Editorial Board Members and the Editor-in-Chief. Topics of interest encompass all of those within the journal's scope. Authors are encouraged to submit their manuscripts through the Manuscript Tracking System at <https://www.mdpi.com/journal/fishes>. We sincerely hope that scholars worldwide will contribute high-quality papers based on their recent research.

About the Journal

Message from the Editor-in-Chief

Fishes is a multidisciplinary open access journal focusing on reports of original research and critical reviews and synthesis from the broad area of fishes and aquatic animals. The ultimate objective of *Fishes* is to facilitate the discovery of connections between research areas, advancing science and filling knowledge gaps, and providing solutions for all present and future issues encountered in the sector of fisheries and aquaculture. As Editor-in-Chief, I encourage you to consider *Fishes* for your scientific papers and would be pleased to welcome you as one of our authors.
