Women's Special Issue Series: Their Contribution to Aquatic Animals Study

Message from the Guest Editors

To celebrate and highlight the achievements of women in the study of aquatic animals, this Special Issue, entitled "Women's Special Issue Series: Their Contribution to Aquatic Animal Studies", will present the relevant work from leading female scientists. We also hope that this Special Issue will further encourage and promote the scientific contributions of other female researchers in this field.

About the Journal

Message from the Editor-in-Chief

Fishes is a multidisciplinary open access journal focusing on reports of original research and critical reviews and synthesis from the broad area of fishes and aquatic animals. The ultimate objective of *Fishes* is to facilitate the discovery of connections between research areas, advancing science and filling knowledge gaps, and providing solutions for all present and future issues encountered in the sector of fisheries and aquaculture. As Editor-in-Chief, I encourage you to consider *Fishes* for your scientific papers and would be pleased to welcome you as one of our authors.
