Message from the Guest Editor

The SMSTS aims to exchange the latest results on drying, and to evaluate drying activities already carried out by the industrial and researchers concerned. This will allow the creation and the support of a North African consortium around drying processes. It will also facilitate the upgrading and evaluation of the new technologies and methods used in the laboratory and in industry, and will contribute to the assessment of recent development in energy management in drying processes, in addition to triggering reflections for future federal research programs.

The topics of the 8th edition of the SMSTS are:

Topic 1: Fundamentals, modeling and simulation of drying;

Topic 2: Drying and applications;

Topic 3: Drying technologies and processes;

Special Session: Drying of ceramic building products.

We are pleased to announce that full papers fitting in the scopes of the open access journal "Foods" and accepted for the conference can be published in a Special Issue (subject to peer review).

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [FSTA](#), [AGRIS](#), [PubAg](#), and [other databases](#).

Journal Rank: JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))
