submissions:

20 September 2024

Message from the Guest Editors

Dear Colleagues,

Our Special Issue will focus on plant-based alternatives to meat products: innovative processing technologies and their future perspectives. It will provide an overview of the current status and future perspectives of plant-based alternatives to meat products in addition to looking at innovative technologies that could be adapted to enhance the production of alternatives.

Potential topics include, but are not limited to, the following:

- Plant-based alternatives to meat products.
- Innovate processing technologies for plant-based alternatives to meat products.
- Bioactive compounds from food matrices with antidiabetic potential.
- Future prospects to produce plant-based alternatives to meat products.
- Challenges and opportunities for the formulation of plant-based alternatives to meat products.
- Consumer knowledge and preferences for plant-based alternatives to meat products.
- Plant-based alternatives production technology.

Message from the Editor-in-Chief

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [FSTA](#), [AGRIS](#), [PubAg](#), and [other databases](#).

Journal Rank: JCR - Q1 (*Food Science & Technology*) / CiteScore - Q1 (*Health Professions (miscellaneous)*)
