Message from the Guest Editors

Dear Colleagues,

We are pleased to invite you to submit your work to the Special Issue of the journal “Foods”, focused on “Development of Novel Encapsulation and Delivery Systems in Foods”.

This Special Issue aims to provide up-to-date encapsulation and delivery systems with direct applicability to food products. In particular, the submission of original research articles and reviews on novel approaches for the encapsulation and delivery of core materials, novel encapsulation materials, the physicochemical characterization of the encapsulation systems, the inclusion of encapsulates in real-food applications and novel uses of encapsulates, is welcome and encouraged.

Deadline for manuscript

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [FSTA](#), [AGRIS](#), [PubAg](#), and [other databases](#).

Journal Rank: JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))
