

## Special Issue

# Selected Papers from the "8th Maghreb Seminar on Drying Sciences and Technologies"

### Message from the Guest Editor

The SMSTS aims to exchange the latest results on drying, and to evaluate drying activities already carried out by the industrial and researchers concerned. This will allow the creation and the support of a North African consortium around drying processes. It will also facilitate the upgrading and evaluation of the new technologies and methods used in the laboratory and in industry, and will contribute to the assessment of recent development in energy management in drying processes, in addition to triggering reflections for future federal research programs. The topics of the 8th edition of the SMSTS are: Topic 1: Fundamentals, modeling and simulation of drying; Topic 2: Drying and applications; Topic 3: Drying technologies and processes; Special Session: Drying of ceramic building products. We are pleased to announce that full papers fitting in the scopes of the open access journal "Foods" and accepted for the conference can be published in a Special Issue (subject to peer review).

### Guest Editor

Prof. Dr. Sihem Bellagha

Institut National Agronomique de Tunisie, University of Carthage, Tunis, Tunisia

### Deadline for manuscript submissions

closed (31 January 2024)

## About the Journal

### Message from the Editor-in-Chief

*Foods* (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

---

### Editor-in-Chief

Prof. Dr. Arun K. Bhunia

1. Department of Food Science, Purdue University, West Lafayette, IN 47907, USA

2. Department of Comparative Pathobiology, Purdue University, West Lafayette, IN 47907, USA

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, FSTA, AGRIS, PubAg, and other databases.

#### Journal Rank:

JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.9 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
