

Special Issue

Trends to Green Processing and Preservation of Meats and Meat Products

Message from the Guest Editor

The meat industry constantly needs to innovate itself to achieve the social, financial and environmental demands, and green processing and preservation of meats and meat products can respond well to these challenges. The goal of this Special Issue is to inspire the innovation of knowledge and technology in the topic of “Trends to Green Processing and Preservation of Meats and Meat Products”. Specifically, this Special Issue includes but is not limited to the following fields: (i) enhancing shelf life and the nutritional quality using naturally derived ingredients; (ii) how the components from natural ingredients affect meat protein functionalities; (iii) preventing the formation of hazardous substances; (iv) eliminating wastes and byproducts; (v) reducing energy use and water use.

About the Journal

Message from the Editor-in-Chief

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Editor-in-Chief

Prof. Dr. Arun K. Bhunia

1. Department of Food Science, Purdue University, West Lafayette, IN 47907, USA

2. Department of Comparative Pathobiology, Purdue University, West Lafayette, IN 47907, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, FSTA, AGRIS, PubAg, and other databases.

Journal Rank:

JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.9 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
