

Special Issue

Advanced Studies of Traditional Fermented Vegetable Food Products - Kimchi and Microorganisms

Message from the Guest Editors

Dear colleagues: This Special Issue is dedicated to recent developments and studies related to fermented vegetable food products, such as kimchi and kimchi micro-organisms. We cordially welcome your review articles and original papers related to the health benefits of fermented vegetable foods as well as micro-organisms responsible for their fermentation, genomic studies of the micro-organisms, bioactive compounds from fermented vegetable food products or micro-organisms, safety issues of fermented vegetable food products, metabolites produced in the fermented foods, and any other topic of interest related to fermented vegetable food products.

About the Journal

Message from the Editor-in-Chief

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Editor-in-Chief

Prof. Dr. Arun K. Bhunia

1. Department of Food Science, Purdue University, West Lafayette, IN 47907, USA

2. Department of Comparative Pathobiology, Purdue University, West Lafayette, IN 47907, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, FSTA, AGRIS, PubAg, and other databases.

Journal Rank:

JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.9 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
