

## Special Issue

# New Insights into Cereals and Cereal-Based Foods

### Message from the Guest Editor

This Special Issue addresses functional and health aspects of cereal grains and flours and technological advances of the cereal industry as a sector that needs to operate under the principles of sustainability and circular economy. Contributions pertaining to innovations in the cereal value chain, cereal safety and security, and health and wellness from the consumption of cereal-based foods and ingredients are particularly welcome.

## About the Journal

### Message from the Editor-in-Chief

*Foods* (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.
