

Special Issue

Functional Food and Bioactive Food Components

Message from the Guest Editors

We kindly invite you to contribute to the Special Issue entitled “Functional Food and Bioactive Food Components”, which aims to provide comprehensive information on bioactive food components and their biological mechanisms from recent research on developing functional foods. We encourage the submission of original research articles and review articles related to the purification, characterization, and identification of bioactive food components with in vitro and in vivo experiments as well as clinical studies describing their biological mechanisms. Moreover, efficacy studies on functional food extracts with identified major bioactive compounds and studies on the enhancing bioactivities of food components can be submitted to this Special Issue.

Guest Editors

Prof. Dr. Sang-Hoon Lee

About the Journal

Message from the Editor-in-Chief

Foods (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

Editor-in-Chief

Prof. Dr. Arun K. Bhunia

1. Department of Food Science, Purdue University, West Lafayette, IN 47907, USA

2. Department of Comparative Pathobiology, Purdue University, West Lafayette, IN 47907, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, FSTA, AGRIS, PubAg, and other databases.

Journal Rank:

JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.9 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
