forests

Dear Colleagues,

To acknowledge authors' continued support and recognize their outstanding scientific publications in our journal over the last year, the Editorial Team are pleased to launch the *Forests* 2021 Best Paper Award for research and review articles published between 1 January 2021 and 31 December 2021. After a thorough evaluation by the journal award committee, four papers (two reviews and two research articles) will receive the award.

2021 BEST PAPER
AWARD
FOR REVIEW AND RESEARCH ARTICLES

Eligibility for the award:
– Papers published in Forests from 1 January 2021 to 31 December 2021;
– Open to all career levels;
– Both regular and Special Issue submissions will be considered.

Selection criteria:
The articles will be selected by the journal award committee according to the following criteria (data source: Web of Science (Clarivate Analytics)):
– Scientific merit and broad impact;
– Relevance to the journal's field;
– Originality of the research objectives and/or the ideas presented;
– Creativity of the study design or uniqueness of the approaches and concepts;
– Clarity of presentation;
– Citation and download rates until 31 December of 2022.

Prizes:
The winners (corresponding authors) will receive:
– A certificate;
– 500 Swiss Francs (CHF);
– An offer to publish one paper free of charge in Forests until December 2023, after the normal peer-review procedure.

The winners will be announced on 31 March 2023 on the journal's website. For further details, please click here: https://www.mdpi.com/journal/Forests/awards.
