

Special Issue

Economy and Sustainability of Forest Natural Resources

Message from the Guest Editors

Topics of interest include, but are not limited to, the following: 1. Theory and technology innovations in forest management and practices in classified forest management. How to enhance forest management technology to improve forest quality? Whether to implement classified forest management for natural and plantation forests. 2. Forest products supply security. Supply and demand security and product quality issues in forest food and products. 3. Poverty governance and common prosperity. Early warning of the return to poverty and rural poverty alleviation path exploration. 4. Ecological product development and value realization. How to improve the involvement of forest carbon sinks in the carbon market? How to formulate policies to promote the value realization of forest carbon sinks? 5. High-quality development of forestry sector. Evaluation, influential factors and realization path of the high-quality development of the forestry sector.

About the Journal

Message from the Editor-in-Chief

Forests (ISSN 1999-4907) is an international and cross-disciplinary, scholarly forestry journal. The distinguished editorial board and refereeing process ensures the highest degree of scientific rigor and review of all published articles. Original research articles and timely reviews are released online, with unlimited free access. Our goal is to have *Forests* be recognized as one of the foremost publication outlets for high quality, leading edge research in this broad and diverse field. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global forestry community.

Editor-in-Chief

Prof. Dr. Giacomo Alessandro Gerosa

Department of Mathematics and Physics, Catholic University of Brescia,
I-25121 Brescia, Italy

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, GEOBASE, PubAg, AGRIS, PaperChem, and other databases.

Journal Rank:

JCR - Q2 (Forestry) / CiteScore - Q1 (Forestry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 17.1 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
