

## Special Issue

# Biodiversity, Health, and Ecosystem Services of Mangroves

### Message from the Guest Editors

This Special Issue aims to highlight the latest status and trends in biodiversity, health, and ecosystem services of mangroves, especially in Asia, with several exceptions from mangrove-rich areas beyond Asia. Topics may include: **mangrove biodiversity**: plant species diversity, mangrove fauna diversity, mangrove fireflies and other insects, genetic differentiation of mangrove species, diversity of mangrove plant families; **health of mangrove ecosystem**: pest and diseases of mangrove species, mangrove health index, mangrove productivity, mangrove forest regeneration, invasive alien species, pollution; **mangrove ecosystem services**: plant–animal or –microbes interaction, ecotourism, charcoal production and other products, refugia for migratory birds, *Nypa* and its services, carbon and climate mitigation; **novel approaches**: practical conservation management options, methodologies, tools and available best practices and technologies using potential smart automated monitoring system, institutional and governance-related interventions for the sustainable management of mangrove resources, health and ecosystem services.

## About the Journal

### Message from the Editor-in-Chief

*Forests* (ISSN 1999-4907) is an international and cross-disciplinary, scholarly forestry journal. The distinguished editorial board and refereeing process ensures the highest degree of scientific rigor and review of all published articles. Original research articles and timely reviews are released online, with unlimited free access. Our goal is to have *Forests* be recognized as one of the foremost publication outlets for high quality, leading edge research in this broad and diverse field. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global forestry community.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, GEOBASE, PubAg, AGRIS, PaperChem, and other databases.

#### Journal Rank:

JCR - Q2 (Forestry) / CiteScore - Q1 (Forestry)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.8 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the second half of 2025).
