### Message from the Guest Editor

Dear Colleagues,

This Special Issue continues celebrating the opening of a new section of the journal *Foundation: Physical Sciences* - after the great success of the first Special Issue of the same title. We invite theoretical and experimental studies related to all areas of fundamental physics. We welcome reviews and regular research papers without imposing any restrictions on the length of the paper. We also welcome short communications. These are expected to contain a preliminary presentation of interesting, potentially important ideas.

Prof. Dr. Eugene Oks
