Special Issue

Fractional Differential Equations: Computation and Modelling with Applications, 2nd Edition

Message from the Guest Editors

Nowadays, many researchers from various fields have become interested in the topic of fractional calculus based on integrals and derivatives of fractional order. It has numerous applications in the widespread field of science and engineering, including wave and fluid dynamics, mathematical biology, financial systems, structural dynamics, robotics, artificial intelligence, etc. **Our first edition successfully published 17 good papers**. In teh second edition, we continue inviting reviews and original research papers dealing with recent developments in fractional calculus along with all theoretical/analytical/numerical as well as practical developments in various science and engineering fields, including mathematics and physics.

Guest Editors

Dr. Rajarama Mohan Jena
Department of Mathematics, C. V. Raman Global University, Bhubaneswar 752054, India

Prof. Dr. Snehashish Chakraverty
Department of Mathematics, National Institute of Technology Rourkela, Rourkela 769008, India

Deadline for manuscript submissions

30 April 2026

Fractal and Fractional

About the Journal

Message from the Editor-in-Chief

Fractal and Fractional (*Fractal Fract.*) is a scholarly online journal which provides a forum for discussion on new original models and methods in fractals and fractional calculus both from theory and applications. It is a peer-reviewed, open access journal that publishes high quality original research articles, review papers and short communications.

Editor-in-Chief

Prof. Dr. Carlo Cattani
Engineering School (DEIM), University of Tuscia, Largo dell'Università, 01100 Viterbo, Italy

Author Benefits

High Visibility:
indexed within Scopus, SCIE (Web of Science), Inspec, and other databases.

Journal Rank:
JCR - Q1 (Mathematics, Interdisciplinary Applications) / CiteScore - Q1 (Analysis)

Rapid Publication:
manuscripts are peer-reviewed and a first decision is provided to authors approximately 19.9 days after submission; acceptance to publication is undertaken in 2.7 days (median values for papers published in this journal in the first half of 2025).
