Dear Colleagues,

As Editor-in-Chief of *Galaxies*, I am pleased to announce the winners of the *Galaxies* 2021 Travel Awards.

2021 TRAVEL AWARD WINNERS

The awards have been granted to: Dr. Mahdis Ghodrati, a post-doctoral researcher at Center for Gravitation and Cosmology (Yangzhou University, China), and Dr. Sandra Etoke, a post-doctoral research associate visitor for the “Jodrell Bank Centre for Astrophysics” (JBCA) group at the “School of Physics and Astronomy” of the University of Manchester (UK).

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners on their accomplishments.
