

Special Issue

Colorectal Cancer Screening (CRC) in the EU

Message from the Guest Editors

We invite you to submit a manuscript to the Special Issue of *Gastrointestinal Disorders* on 'Colorectal Cancer Screening (CRC) in the EU'. Possible topics are adherence to EU guidelines, strengths and limitations of current CRC screening strategies, benefits and risks of specific screening strategies, similarities and differences in CRC screening among EU countries, determinants of (non)participation, good practices of decreasing inequality in CRC screening and improving uptake of CRC screening in the target population, especially vulnerable groups.

Guest Editors

Dr. Sarah Hoeck
