

Special Issue

Feature Papers in Gastrointestinal Disorders in 2025–2026

Message from the Guest Editor

In 2023–2024, we launched the Special Issue “Feature Papers in Gastrointestinal Disorders in 2023–2024” and compiled 17 interesting papers. In the new version, we aim to curate high-quality original research and review articles highlighting cutting-edge developments in gastroenterology between 2025 and 2026. We welcome submissions addressing, but not limited to, the following themes:

- Inflammatory bowel disease;
- Gastrointestinal cancer (colorectal cancer, esophageal cancer, etc.);
- Coeliac disease;
- Diet;
- Crohn’s disease;
- Gastroparesis;
- Hepatocellular carcinoma;
- Gut microbiota;
- Irritable bowel syndrome;
- Metabolic syndrome;
- Gut–brain axis.

Guest Editor

Prof. Dr. Andrew Day

Department of Paediatrics, Christchurch Hospital, University of Otago,
Christchurch 4710, New Zealand

Deadline for manuscript submissions

31 December 2026
