

## Special Issue

# Colorectal Cancer Screening and Prevention

### Message from the Guest Editor

I would like to invite you to submit a manuscript to the Special Issue of *Gastrointest Disord* on Colorectal Cancer (CRC) Research. Possible topics are:

- CRC screening
- personalised CRC screening
- improving participation in CRC screening
- determinants of (non-)participation
- primary prevention of CRC
- CRC screening in vulnerable groups
- opportunistic CRC screening
- follow-up with colonoscopy after positive screening result
- Advantages and limitations of current screening strategies
- Improvement and optimization of current screening techniques and development of new techniques in early detection of colorectal lesions
- Quality of screening process
- Adherence to screening
- Awareness, knowledge and attitude of the target population towards CRC screening
- Risk stratification-based screening
- Population preference of screening tests
- Individuals' tolerance and acceptance of different CRC screening techniques

Manuscripts with original research are welcomed, as well quantitative and qualitative research, mixed-methods research, reviews and meta-analyses.
