Dear Colleagues,

The journal *Genes* (ISSN 2073-4425, <https://www.mdpi.com/journal/genes>) will offer the Best Poster Award at the ECCB2020 “19th European Conference on Computational Biology” (<https://eccb2020.info/>), which will be held in September (5th-9th) in Sitges, Spain.

## 2020 BEST POSTER AWARD AT THE ECCB2020

All attendees who complete a poster presentation will be eligible for this award. A team of Scientific Advisors will judge the presentation clarity and scientific significance of the work presented. The poster award is worth 1000 Euros prize.

Best regards,

*Genes* Editorial Office
