genes

Dear Colleagues,

We are pleased to announce the winners of the Genes 2020 Best Paper Award IECGE2020. All papers published from the 1st International Electronic Conference on Genes (IECGE2020) (https://sciforum.net/conference/IECGE) were considered for the award. After a thorough evaluation by the Scientific Committee based on originality/novelty of the paper, significance of content, scientific soundness and interest to the readers, one paper has been selected as the winner:

Genetic analysis algorithm for the study of patients with Multiple Congenital Anomalies and isolated Congenital Heart Disease
By Marisol Delea et al.
Proceedings 2021, 76, 8. https://doi.org/10.3390/IECGE-07151

2020 BEST PAPER AWARD IECGE2020

WINNER

The winner (corresponding author) will receive an award of 300 CHF, a certificate, and an opportunity to publish free of charge in Genes before 31 December 2021, after the normal peer-review procedure.
