Message from the Guest Editors

Dear Colleagues,

This Special Issue comprises selected papers from the 2th International Electronic Conference on Geosciences (IECG-2), held 8–15 June, 2019, on sciforum.net, an online platform for hosting scholarly e-conferences and discussion groups. For more information on IECG-2, please go to: <https://sciforum.net/conference/IECG2019>

After the conference, the authors are recommended to submit an extended version (30-50%) of the proceeding papers to this Special Issue, benefiting from a 20% discount on the APC charges.
