Message from the Guest Editor

Dear Colleagues, We invite you to submit a manuscript to the "Pharmacy Practice and Administration 2.0" Special Issue in the journal Healthcare. The scope of the Special Issue is research and reviews on evaluations of current practice, innovations in medication management, developments in therapeutics, and pharmaceutical science research that informs and improves practice and administration, as well as the social and administrative pharmacy. We will mainly feature original research, reviews, short reports, and clinical studies, but will also welcome case reports, descriptive/how-to, and commentary submissions for consideration. For the Special Issue on "Pharmacy Practice and Administration 2.0", topics of interest include, but are not limited to the following:

- COVID-19
- pharmacy administration
- pharmacy management
- pharmacoeconomics
- cost effectiveness
- cost analysis
- cost benefit
- social and behavioral pharmacy
- health outcomes
- Pharmacist-based medication management
- Pharmacy practice
- Pharmacy technicians' support
- Pharmacy law and regulation
- Innovation
