

Special Issue

The Role of Mediation in Healthcare: A Path to Conflict Resolution and Improved Outcomes

Message from the Guest Editor

We are pleased to invite you to submit your articles exploring the benefits of mediation. This Special Issue will focus on applications of mediation in the field of healthcare. Original research articles and reviews are welcome, and research areas may include (but are not limited to) the following:

- Cases where mediation is applied to achieve out-of-court settlements;
- Studies on the practical benefits of applying mediation in the healthcare sector;
- Studies revealing stakeholder options regarding the application of mediation;
- Studies on the factors leading to the need for mediation;
- Review articles related to good practice in applying mediation.

I look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Louise Herrington School of Nursing, Baylor University, Dallas, TX
75246-1754, USA

Author Benefits
