## Nursing for Older Adults with Multimorbidities

### Message from the Guest Editor

We are pleased to invite you to contribute to our upcoming Special Issue on “Nursing for Older Adults with Multimorbidities”. This research area holds significant scientific importance as the population of older adults with multimorbidities continues to grow, presenting unique challenges and opportunities for healthcare providers. This Special Issue aims to provide a platform for researchers, clinicians, and policymakers to share their knowledge, experiences, and research findings in the field of nursing for older adults with multimorbidities. This topic aligns closely with the scope of our journal, ensuring that the research contributions are both relevant and impactful within the fields of nursing and healthcare. We look forward to receiving your contributions.
