

Special Issue

Clinical Management of Chronic Pain in Older People

Message from the Guest Editors

This Special Issue aims to showcase the best practices of managing pain in older people, highlighting changing and new directions in this field. In this Special Issue, research paper methodologies may include (but are not limited to) clinical trials, observational studies, systematic reviews or qualitative research. Papers may present evidence from a variety of stakeholders, reflecting the multidisciplinary nature of this topic. We look forward to receiving your contributions.
