

Special Issue

Integrating Artificial Intelligence into Nursing Practice

Message from the Guest Editors

We are pleased to invite you to contribute to this Special Issue, "Integrating Artificial Intelligence into Nursing Practice." This Special Issue aims to explore the opportunities, challenges, and practical implications of AI adoption in nursing. It seeks to advance scientific knowledge and evidence-based strategies that support safe, ethical, and effective integration of AI technologies into diverse nursing contexts. This topic aligns with the journal's focus on improving healthcare quality, patient outcomes, and the professional development of nurses through innovation and research.

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Louise Herrington School of Nursing, Baylor University, Dallas, TX
75246-1754, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases.
