

Special Issue

Substance Abuse, Mental Health Disorders, and Intervention Strategies

Message from the Guest Editor

This Special Issue of *Healthcare* will advance this field by publishing cutting-edge research, comprehensive reviews, and innovative clinical perspectives addressing current gaps in our understanding of substance use–mental health comorbidity. We particularly welcome contributions that explore novel therapeutic interventions, prevention strategies, and evidence-based approaches to integrated care. I look forward to receiving your valuable contributions and working together to strengthen this essential area of healthcare research.
