

Special Issue

Global Health: Focus on Oral Care for People of All Ages

Message from the Guest Editors

This Special Issue aims to establish a platform for dialogue among dentists, researchers, and other stakeholders committed to improving health outcomes. It provides an opportunity to share the latest research findings, identify the target audience needs, and offer insights into enhancing patients' oral health. Research areas may include (but are not limited to) original articles and reviews that will illuminate the challenges, opportunities, and future advancements in the diverse and evolving field of oral health.
