

Special Issue

International Dermatology: Prevention and Treatment of Skin Diseases around the Globe

Message from the Guest Editor

It gives me great pleasure to invite you to submit your latest research to the upcoming Special Issue titled “International Dermatology: Prevention and Treatment of Skin Diseases around the globe” in the journal *Healthcare*, published by MDPI. This Special Issue will present internationally relevant articles covering all aspects of dermatology and cutaneous surgery research. We will be accepting original research papers, critical reviews, and short communications. Multi-disciplinary research articles are highly encouraged.

- dermatology
- international dermatology
- research
- psychodermatology
- general dermatology
- skin cancers
- acne
- rosacea

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Sue & Bill Gross School of Nursing, University of California, Irvine, CA
