Topical Collection

Dentistry, Oral Health and Maxillofacial Surgery

Message from the Collection Editor

Numerous innovations have had an impact on dentistry and maxillofacial surgery. The Topical Collection invites worldwide investigators as well as clinicians to submit their most interesting overviews, reviews, and original articles that may provide novel insights regarding the topics indicated. Original research articles, systematic reviews, meta-analyses, case series, and case reports are welcome if they provide new sound scientific evidence in these fields.
