# Special Issue

# Oral Health in Healthcare

## Message from the Guest Editor

This Special Issue of *Healthcare* seeks commentaries, original research, short reports, and reviews on the role of oral health in the bigger picture of healthcare to bring attention to the relationship between oral and systemic health, and the need for collaboration between oral health and other healthcare practitioners to effectively improve the health and well-being of patients. The aim is to inform the development of health policies, strategies and systems to effect the required paradigm change.

- oral health
- periodontitis
- diabetes
- cardiovascular disease
- disability
- drug and alcohol use
- interprofessional care
- medical education
