

Special Issue

Pharmacy Practice and Administration 2.0

Message from the Guest Editor

We invite you to submit a manuscript to the "Pharmacy Practice and Administration 2.0" Special Issue in the journal *Healthcare*. The scope of the Special Issue is research and reviews on evaluations of current practice, innovations in medication management, developments in therapeutics, and pharmaceutical science research that informs and improves practice and administration, as well as the social and administrative pharmacy. We will mainly feature original research, reviews, short reports, and clinical studies, but will also welcome case reports, descriptive/how-to, and commentary submissions for consideration. For the Special Issue on "Pharmacy Practice and Administration 2.0", topics of interest include, but are not limited to the following:

- COVID-19
- pharmacy administration
- pharmacy management
- pharmacoeconomics
- cost effectiveness
- cost analysis
- cost benefit
- social and behavioral pharmacy
- health outcomes
- Pharmacist-based medication management
- Pharmacy practice
- Pharmacy technicians' support
- Pharmacy law and regulation
- Innovation

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Louise Herrington School of Nursing, Baylor University, Dallas, TX
75246-1754, USA
