# Recent Trends in Clinical Psychology for Mental Emotional and Behavioural Disorders

### Message from the Guest Editors

In the modern computing world, many people have started rushing towards luxurious and comfortable lives, which introduces an array of psychological disorders such as anxiety, stress, and depression. An attempt to place clinical psychology in mental, emotional, and behavioral analysis is the most appropriate intersection between mental health and psychology. This Special Issue aims to provide the latest research findings and solutions in terms of clinical psychology for behavioral and mental health diagnoses.
