

Special Issue

Physical and Rehabilitation Medicine—2nd Edition

Message from the Guest Editor

To improve a patient's physical ability, effective physiotherapy and occupational therapy treatment and an assessment of comprehensive rehabilitation appear to be important. Thus, a proper understanding of clinical factors along with adequate physiotherapy and occupational therapy has become a critical component of any rehabilitation approach. In addition, the accurate assessment of physical or motor function can lead to the early detection and prevention of disease. Therefore, it is critically important that physiatrists, physiotherapists, and occupational therapists constantly develop their knowledge and techniques. This Special Issue aims to serve as a global forum for the discussion of all aspects of motion analysis, physiotherapy, occupational therapy, and rehabilitation studies including evaluation, treatment, and prevention.

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Louise Herrington School of Nursing, Baylor University, Dallas, TX
75246-1754, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases.

Journal Rank:

JCR - Q2 (Health Policy and Services) / CiteScore - Q1
(Leadership and Management)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 21.5 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
