

# Special Issue

## Cachexia and Chronic Disease

### Message from the Guest Editors

This Special Issue will feature original and interesting clinical studies, reviews, short reports, narratives, and opinion pieces pertaining to this research topic.

Potential topics include:

- Issues related to cachexia management in chronic disease for patients, carers and/or healthcare staff.
- Specific learning points for multidisciplinary healthcare practitioners working in cachexia management in chronic disease.
- Multimodal cachexia management approaches for patients and/or families.
- Integrated psychosocial care for patients living with cachexia and chronic disease and/or their families.

---

## About the Journal

### Message from the Editor-in-Chief

*Healthcare* is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

*Healthcare* hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

---

### Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Louise Herrington School of Nursing, Baylor University, Dallas, TX  
75246-1754, USA
