

Special Issue

Cachexia and Chronic Disease

Message from the Guest Editors

This Special Issue will feature original and interesting clinical studies, reviews, short reports, narratives, and opinion pieces pertaining to this research topic.

Potential topics include:

- Issues related to cachexia management in chronic disease for patients, carers and/or healthcare staff.
- Specific learning points for multidisciplinary healthcare practitioners working in cachexia management in chronic disease.
- Multimodal cachexia management approaches for patients and/or families.
- Integrated psychosocial care for patients living with cachexia and chronic disease and/or their families.
