Special Issue

Mental Health and Nursing Care of Individuals with Cancer and Their Families

Message from the Guest Editor

This special issue is seeking papers/articles focused on the topic of mental health and nursing care of individuals with cancer and/or their family members. We are seeking original research or program/intervention evaluations directed toward understanding patient and family member challenges that impact on the mental health of individuals with cancer and their families who are living through a cancer experience. Reviews and both quantitative and qualitative designs will be considered.
